2015 was one of the most stressful yet, rewarding years of my life. This was the year that I graduated from Taft High School and I entered into college life. While I was applying to colleges I was told to make sure I applied to scholarships to help cut down on out of pocket cost for tuition. I applied to over 100 scholarships and received numerous awards, one of which was a \$1,000 scholarship from Alpha Kappa Alpha Sorority Incorporated, Sigma Omega chapter Letteria Dalton Foundation. I am honored to have been chosen as a recipient in 2015. Since receiving the scholarship a lot has changed. I joined Alpha Kappa Alpha Sorority, Incorporated in 2017 and I successfully completed my college matriculation at Fisk University (HBCU) receiving my Bachelor of Science degree in Business Administration in 2019.
